

# Adviser's Deluxe Package

We at Jostens know how hard our advisers work...and how little thanks they get for it. That's why we've added a special feature available only at Camp Yearbook at the Miramonte Resort & Spa. The deluxe package allows advisers to choose one of many special options from The Well Spa at the Miramonte Resort & Spa. To sign up for this special package you will need to return this form with your registration materials. You will also need to include a check for an additional \$140 when you return the registration. Now, all you have to do is choose how you want to be pampered! But don't delay, to guarantee your space, we need your reservation and payment in full no later than June 15.
